- Dave Pinsky, Exe.Dir** 29  
Pacific Coast Air Mu-
- Lee Youngman, Editor**

Volume VI Issue 13

October 8, 2009

### “Release Your Inner 007!”

What does that mean? You ask... How about the guys putting on their fancy James Bond tux, the ladies their most elegant evening gown, and joining the festivities Saturday, October 17th!

At 6 p.m. you'll enter the world of James Bond's Monte Carlo, complete with Blackjack Tables, Poker, Craps, and Roulette! All of your "gambling" will benefit the Rotary projects, both in our own community and worldwide. Plus, when you add up the ambiance that will be created, the incredible buffet, drinks shaken, not stirred, the exciting silent and live auctions, entertaining caberet singer Natalie Moon-Wainwright, a little dancing if you like, and just good fun, it's a not-to-be-missed event!

Last chance for tickets is next Tuesday at noon! So, if you haven't already done so, get them now!

### “A Night in Monte Carlo”

### Committee Meeting Tonight!

The last critical planning meeting is tonight at 7 p.m. at the Calistoga Spa. It goes without saying that everyone possible needs to be there...

\*\*\*\*\*

Thanks to **Jim Barnes** for designing the large street banner (you've seen it, haven't you?)... and to **Paul Knoblich** for getting it to the City. Check out the article last week and ads in the *Calistoga Tribune* out Friday . . . Thanks again to **Paul Knoblich**.

### FOUNDATION DINNER NOVEMBER 14TH

This is an evening of great food, entertaining speakers, and good fellowship. Not to be missed! It's held at the Doubletree Inn in Rohnert Park...To make your reservation, see **Philippe Therene** or sign up on District 5130 website.

\*\*\*

### WELCOME TO NEW MEMBERS!

**Kirk Avery**, classification College President, Retired, and **Steve Franquelin**, classification Veterinarian, both joined the Calistoga Rotary Club this month. Kirk is new to Calistoga, and Steve is renewing his Rotary membership.

### CALLING ALL ROTARIANS!

**Next Thursday, we'll all be having lunch at the Tubbs building, then pitching in to set up tables, etc., for the Big Event. If you can stay longer than the usual lunch hour, that will be very much appreciated. If you can't stay, that's ok, and we'll see you Saturday night!**
