### "HARVEST HOEDOWN" OCTOBER 15TH!

Roddy & Heidi Love bring the country group Love2Love headlining our Harvest Hoedown on October 15th. Coming straight from Nashville, Roddy and Heidi have been writing and singing their music for over 20 years. In 2005 they made the big move from Napa to Nashville,

where they are writing songs and performing at various Nashville venues, including the famous Blue Bird Café.

Before moving to Nashville, Roddy and Heidi performed all over the northern bay area with their band, Love2Love, and opened for various country recording acts including Lone Star and Sammy Kershaw.

The music October 15th will consist of original music written by Roddy and Heidi as well as original music written by Nashville friends, and some good country standards. . . . all music you can dance to!

The food will be fabulous...thanks to **Chef Nick Johnson**; the live auction will be exciting and lively, and the silent auction brim-full of great wines, gifts, and treasures. Invite your friends!

**Sean Scully and Dieter Deiss** got some interesting pictures at last week's meeting... Looks like **Jeff Maxfield** and **Jim Flamson** are looking for the Joker...!

Then **Sharron Zoller** and **Sue Mauro** smile as they take your \$\$\$...

Then there's **David M-W** filling his plate...

...while **Olivia** from our City fills us in on important activities.
